

BCCA Kids Club Centre Summer Camp 2011

Dear Parents/Guardians,

We're excited at what has been planned for this summer and hope that you will be too. We have taken into account what some parents would like for their children and what children would like for themselves. So, we are proud to present this summer's theme of: "RENEWING, REFRESHING, & REVITALIZING OUR BODIES, MINDS, & SOULS."

Our summer camp will be about encouraging children to overcome challenges, take on responsibilities, develop healthy lifestyles, and have FUN! There are field trips galore, indoor and outdoor sports activities, science experiments, baking, arts, crafts, talent shows, and much more.

You may ask what the "much more" includes, well, there will be daily activities and games such as 'Are you smarter than a 5th grader?', Scavenger hunts, cooking/baking class in French, creative English Language using drama, public speaking and debates, trivia games, etc. And, for the first time ever, **meals and snacks will be included**. This is a pilot program which we hope will not only help parents but also teach children to take responsibility in preparing their own lunches and helping with setting and clearing tables. We hope it will educate them on healthy eating along with a healthy lifestyle. It will be exciting to introduce and expose them to a variety of ingredients and foods from different countries. Other than our schedule of activities (see calendar), our daily routine would be something as follows:

DAILY ROUTINE (ACTIVITIES MAY VARY DEPENDING ON THE WEATHER, FIELD TRIP &/OR NEEDS OF THE CHILDREN)
