

# BCCA Kids Club Preschool

**Welcome!**.....to BCCA Kids Club Preschool.

These pages are designed to give you all the information you need.  
Please feel free to contact us if you have any further questions.

## **Why Preschool?**

At preschool, your child will have the opportunity to interact with other children, learn to problem solve, explore their interests and participate in many different activities. Preschool is offered for children Aged 3 to 5 years.

## **Open door policy**

We believe that communication is the key to a good relationship. If there is anything that you need to discuss with us about your child, we are available to talk. We welcome feedback on all aspects of the program.

## **We Value:**

- Each child is special and precious in God's eyes.
- Children as unique, competent individuals.
- Children's opinions.
- Parent's feedback and participation.
- Children learning through play.

## **Curriculum**

We offer a daily devotion time, when we teach the children about God, His Son Jesus and the incredible love He has for us.

The curriculum includes math, social studies, science, art, music and movement. In planning the curriculum the children's ideas and interests are incorporated.

## **Mission Statement**

To provide a safe, Christ-centered environment for children to learn and grow. Our goal is to provide children with activities that enhance their spiritual, physical, intellectual, emotional and social development.

## **Teachers**

All teachers at BCCA Preschool are committed Christians who adhere to BCCA's statement of faith.

They are qualified Early Childhood Educators with a relevant certificate and/or diploma.

Each teacher also holds a valid first aid certificate and has undergone a criminal record check.
