FAMILY REFERRAL PROGRAM POLICIES

Our research indicates that most of the families currently attending BCCA first learned about BCCA through word of mouth. We recognize that BCCA's continued growth is due largely to our students and families like yours, who share with other families, friends and colleagues the wonderful and positive experiences they have at BCCA. You are BC Christian Academy's great ambassadors and we want to acknowledge and appreciate your efforts in promoting our school.

As a token of appreciation to our current families recommending BCCA, the Administration will be providing a **\$250** reduction in their child/ren's tuition for the next school year. In addition, we also want to say "thank you" to the new family you have encouraged to enroll at BCCA, and they will also receive a **\$250** reduction in their tuition for the next year.¹⁰

The guidelines for this tuition reduction program are:

1. Only families currently enrolled at BCCA are qualified to receive the \$250 reduction for recommending new families to the school.
2. The new Families must pay full tuition and other fees to be eligible for this program.
3. Effective school year **2021-2022**, this program will include new student referrals to Kids Club. However, the \$250 for the new family being referred and the referring family applies only when the new student(s) enrolls into Kindergarten.
4. This program does not apply to agents whose child(ren) does not attend BCCA.
5. The formal admissions procedure must be followed with the Admissions Committee giving final approval for enrollment.
6. There is no limit to the number of families you can bring. For each family you encourage to register at BCCA, you will receive a \$250 discount.
7. The student being referred to BCCA must remain in the school for at least one year (10 months). The Tuition Credit will be applied to the family account and can be used towards payment of tuition for the next school year.
8. The tuition referral is a tuition credit of \$250 per family, not per child or student.
9. Recommending family is free to share a portion (or all) of their incentive with the new incoming family.
10. Any local or international family that currently has children in our school, that recommends an international family to BCCA, will be entitled to a \$250 referral fee. However, there will be no reduction in fees for the new international student that will be coming to BCCA.
