

BC Christian Academy is celebrating its 30th Anniversary this school year and we couldn't be more grateful that our vision of "Equipping students to impact the world for Jesus" remains as true today as it did three decades ago. Since we opened our doors in 1992, the story of BCCA is all about people coming together with a common desire of leaving a legacy of solid Christian education among our future generation. What started out with a handful of high school students and staff, has now grown to close to 500 students, over 130 staff, and more than 427 graduates.

Our Faith Journey is a story of ongoing dependence on God. For 30 years, we kept moving to several different locations, and only after a decade of negotiations that tested our faith and perseverance, BCCA was blessed on June 15, 2020 to finally purchase the 9.6 acres of property that is now our permanent home at 1019 Fernwood Avenue in Port Coquitlam.

We are thankful to every person, whose support, prayers, and sacrifices, carried us through this journey.

As we turn a new page and begin the next chapter, we are excited to see our vision of building our new Learning Campus come to fruition. It is a privilege to be able to serve many wonderful children and families in our community for the past 30 years. We are deeply honoured to be able to participate in Gods Kingdom-work and reaffirm our commitment to this calling.

In celebrating our 30-year anniversary, we remember God's faithfulness to BCCA and together, as stewards of what God has entrusted to us, we know that we have a bright future ahead of us.

Thank you for partnering with us!
