**WELCOME LETTER FROM
KIDS CLUB DIRECTOR
MRS. THERESA LEE**

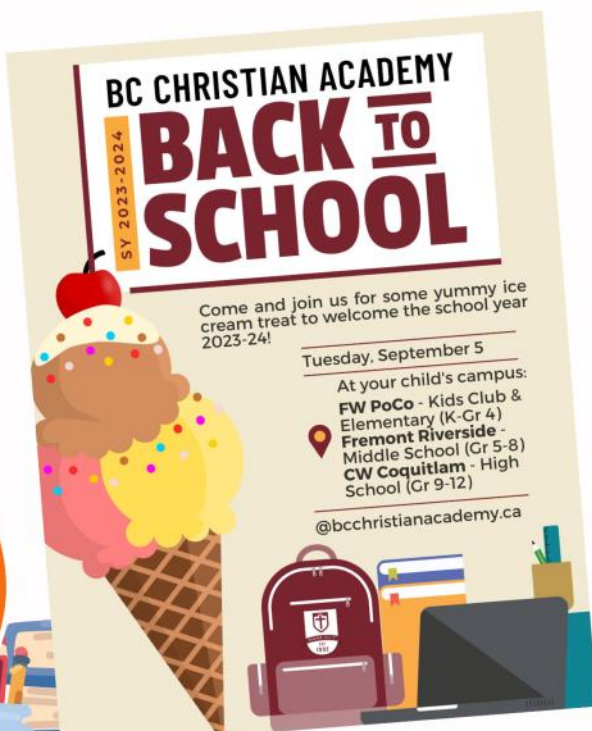

August 2023

Greetings to all our new and returning Kids Club Families!

We hope that everyone had a lovely refreshing summer with the family and are looking forward to another exciting school year filled with fun, making new friends, having new experiences and adventures in learning, growing and building precious memories together.

Our first day of school back is Tuesday, September 5th and our continued focus is to develop strong programs where your children will feel safe, appreciated for their gifts and contributions, and loved as unique creations of God. Thank you for your continued support of our Centre in establishing a safe and caring environment that is based on our values around biblical standards. Our goal is not to be like the world, or conformed to the world, but rather we are here to help in the transforming of the students in the renewing of their minds that they may be good and acceptable according to the perfect will of God (Romans 12:2).

I am super excited about all the upcoming changes that are planned for Kids Club and would like to take this time to share some new and some not-so-new reminders for this upcoming academic year.

BACK TO SCHOOL ICE CREAM SOCIAL

Please bring the whole family and join us for a special ice cream treat from 11am onwards.

This is a great opportunity to meet other parents and a starting point towards establishing strong bonds and friendships.

Everyone is welcome but please be sure to inform your child's teacher if you are unable to join in and they will make sure to bring your child's ice cream to them in the classroom.

See you there!

SAFE DRIVING & INFRACTION TICKETS

The speed limit is 30 km as you drive onto Lincoln Ave and 5 km as you drive on to the school/daycare property.

We have had highly concerned teachers, parents and neighbours, witness speeding drivers and numerous 'near misses', both around the neighbourhood AND at Kids Club drop off/pick up areas on the West driveway and in front of portable 7000.

Please refer to the **SAFE DRIVING NOTICE** with the map and violation tracker. Please be sure to inform your alternative pick up persons of these protocols ahead of time.

DRIVING INFRACTION tickets/notices will be issued as follows:

- The first ticket will serve as a warning
- A second ticket will warrant a meeting with the principal and/or director
- A third ticket could be cause to give families notice to withdraw their child/ren from our school/centre.

PARENTS/TEACHERS VIRTUAL INFORMATION SESSION
FRIDAY, SEPTEMBER 29TH @5:30 – 6:30PM

All **NEW** parents/guardians are required to attend our virtual information session on Friday, September 29th at 5:30pm sharp. (Returning parents/guardians are always welcome to join for a "refresher")

This is the only time during our year that we are able to go through the important information and details of our programs including our curriculum, policies, procedures, standards and guidelines that are vital for the successful operation of our center. The history, values and goals of BCCA Kids Club will also be touched on so that parents and families can feel empowered through an understanding of our center's guiding principles and why we "do what we do".

We will also cover a variety of topics that will provide you with best practices in communication, scheduling, student behaviour and more, so that your family and child(ren) has the best opportunity for a fulfilling and enriching experience while at BCCA Kids Club.

Zoom link details will be sent out closer to the date.

It is exciting to see our good Lord's plans unfold amidst these continued unpredictable times as He guides us through these many changes and graciously provides and protects.

Please do not hesitate to contact us if you have any questions or need any further information and/or assistance. May our good LORD bless and keep you as we raise our children to glorify God.
